Representing Yourself in an Eviction Case

If you lose your eviction trial and think you have a good case, you may appeal and have your case reviewed in a higher court. To appeal, you must act quickly.

You will also need to figure out which Appeals Booklet you use to file your appeal. This will depend on which court your eviction case was in.

Appeals Booklet 7A

Booklet 7A is for tenants who have lost an eviction trial in a Massachusetts Housing Court.

Appeals Booklet 7B

Booklet 7B is for tenants who have lost an eviction trial in a District Court.
