

## **Instructions for Debt Collection Tracker Sheet**

Use this sheet to keep track of the debt collectors that contact you and what they say.

1. Write the date and time each time a creditor calls you.
2. Write the name of the creditor and the name of the person you spoke with.
3. Write what the person said and how much they say you owe.
4. Did you tell them to stop calling you?
5. Keep this list.

## Debt Collector Tracker Sheet

Date	Time	Company's Name	Caller's Name	How much \$ they say you owe	What they say	Original Creditor's* Name

We use the term “original creditor” to talk about the person or company you first agreed to pay. An original creditor is the person or company who sold you something on credit or loaned you money.
